I'm assuming you mean action items?

- Continue to work with Senators on Medical Affairs committee to educate on the need to repeal or reform CON
- Reach out to FTC to provide letter to SC (similar to NC letter)
- Reach out to Thornton Kirby to obtain materials on SCHA's new position
- Discuss issue of CON being in State of State
- Explore possibility of FTC testimony before Senate Medical Affairs
- Review N.C. CON Bill
- Attempt to locate and review Virginia FTC testimony
