Some questions for the Department of Education:

- We suspect that there are no “one- or two-teacher school[s]” any longer. Is there any objection to deleting §59-21-40 and §59-21-50?
- Are payments still being made in accordance with §59-21-110 and §59-21-120? If so, which appropriations/subfunds correspond to these payments?
- What is the status of the financial literacy program established in Title 59, Chapter 29?
 - How many of the Board of Trustees seats are filled? (§59-29-480)
 - Is there a Director and are there other staff dedicated to or shared by this program? (§59-29-500)
 - What is the balance in the Trust? How much is received annually? (§59-29-510)
 - Have any grants been awarded? (§59-29-530)
- Are any schools still organized under Chapter 37?
- Are any high schools still operating under the privileges of §59-39-30?
- Does Chapter 44 have any current effect?
- Does Chapter 55 have any current effect?
- Do §59-73-130, -140, and -150 (Ridge Spring School District No.2) have any current effect, or can these be repealed?
