# The South Carolina Power Team

was established in 1988 by Santee Cooper and the electric cooperatives to promote economic development in South Carolina. Notable initiatives and accomplishments during this time include:

- Since 1988, **over \$10 billion** invested and almost **55,000 new jobs** created by the private sector in the service area of Santee Cooper and the state's electric cooperatives.
- Since 1989, **over \$9.4 million** spent through the **Santee Cooper Economic Development Investment Fund (SCEDIF)** for technical assistance and grants to companies locating in South Carolina.
- Since 1996, **more than \$69 million** spent by the electric cooperatives through the **Corporate License Fee Tax Credit** program to fund public infrastructure, industrial parks and shell buildings.
- Since 2006, **more than \$1.4 million** spent to help fund local and regional EDO strategic plans; **more than \$945,000** for certified site evaluations; and **more than \$120,000** for professional development scholarships.
