Subject: Medicaid data request

Hello SCDHHS,

I am interested in obtaining the following South Carolina Medicaid data:

- Average number of South Carolina citizens receiving Medicaid each month
- SFY 2010 DHHS recoveries total and any other detail available (I located SFY 2008 on the Annual Report)
- Do you have sufficient staff, or will you need additional resources to process RAC recoveries?
- Have you experienced any provider abrasion with current TPL recovery process?

Sincerely,

Kristen Comstock

RE: Your Enclosed Inquiry

Dear Ms. Comstock:

Your inquiry was forwarded to me for a response. Enclosed is a sheet showing the average monthly eligibles for Medicaid during the past several years. With respect to your second bullet, we do have that information, but your request, as stated is not limited, quite broad, and will be costly to extract. Your third and fourth bullets call for individual, subjective, qualitative evaluations of programs, and are not really available in the form of data or public records.

Please accept the enclosed with our compliments. If you want additional information, please state the request in writing in the form of a Freedom of Information Act Request. It is to your interest to be specific in your request. The physical address of the agency is indicated below, as well as my contact information. Please call or fax me if I may answer any questions.

Sincerely,

Kathleen C. Snider, Bureau Chief
