Sorry, I thought Josh was communicating with you about a meeting date. I'll follow up with him this morning and will be back in touch.

Holly,

Thanks for contacting me on Friday. As we discussed, we'd love to have you come down to Aiken to chat with us. I've checked the calendar of our President, Stuart MacVean, and here are two dates/time frames that would work for him. If one of these work, perhaps we can also provide a brief tour of the liquid waste facilities so you'll have a better feel for what we're talking about. We can do our meeting and tour as quickly as you need us to.

Let me know if these dates/times don't work, and I can go back to the drawing board. Thanks!

Dean
