Subject: Frontline query

Hi Chaney, I'm a reporter for Frontline, the PBS series. I'm doing a quick story today looking at efforts to raise the age of criminal responsibility around the country. I know the SC legislature passed a bill last week; do you have a sense of whether Gov. Haley will sign it — and if so, when that might take place? I'm at 617 300 5314.

Thank you

Sarah
