Katherine:

I'm forwarding an email below. Would it be possible for the Governor to do a proclamation for Berea High School Day on August 23rd? If so, Cindy can get an name & address from Ms. Sutton. Many thanks!

Larry

Good morning, you have helped me before with several projects and I thought maybe you could help with this, I went to berea high school in greenville sc the 2nd oldest school in greenville(103 years old). We are having a all class reunion on August 23 rd and would love that day to be berea high school day. We have someone working on this but haven't heard so I thought of you. Thanks for all you do and hopefully you can help with this Beverly sutton Class of 1965
