Subject: RE: Schedule for Thursday and Friday - Questions

Katherine,

I did review the schedule with Bobby and he is good with it. His only concern is the first meeting with Continental on Thursday morning, which I understand will be at the hotel. He will be a part of this meeting due to a project that we have begun working with the company. We'd like to ask if it could be at the course so that both Bobby and Tim aren't rushed to the course to warm-up. Bobby would like to be at the course before the meeting.

I'll have the pairings as soon as I can. Bobby and I have discussed. Just wanted to run a couple of items by Jeff who is traveling today. I hope I'll catch him here shortly.

Jennifer
