Dear Governor Nikki Haley:

As a registered voter in the state of South Carolina I demand that you oppose any and all attempts from state and federal government to implement more gun control or so called assault rifle bans.

The only people that are effected by more gun laws are the law abiding citizens.

We all know if a person want to commit a horrible crime with a gun he or she will get the gun by any means necessary.

It is high time the individual committing the crime is blamed and not the gun!

Sincerely,  
Lee Carter
