myblueskies Can anybody here tell me when a ranger is at Woods Bay state park? We want to go when we can go in the nature center. I've called and haven't heard back. Thanks! @scstateparks

scstateparks @haleywhitting there is a ranger there Mondays and Thursdays. She may be out and about on the park, but would be happy to stop and help y'all in any way! Tours may also be done upon request. To schedule, call the park and leave a message or email woodsbay@scprt.com!

austinbondphotography @scstateparks Please open the state park pass gate at Huntington Beach State Park as the line is backing up to get in with those who don't have a pass. If it's backing up now, it's really going to back up when the season hits. Thanks
