MEDICAID BULLETIN

OMP-PSY 07-02

TO: Psychological Services Providers

**SUBJECT: Medicaid Provider Manual for Psychological Services For Children
Under 21**

The enclosed revised Psychological Services Medicaid Provider Manual is effective March 1, 2007, and includes all previous HIPAA changes and Medicaid policy bulletins. SCDHHS will release another bulletin announcing training on the contents of the manual.

This manual is to be used for program information and requirements, billing procedures, and provider services guidelines. **Due to several substantial changes in policy, providers are urged to carefully review this revision.**

In addition to inclusion of policy changes specific to the Psychological Services program area, the new provider manuals for all Medicaid programs have been reformatted to give them a more consistent, standardized layout and to improve navigation and readability. Headings for each subsection appear on the left side of the page, with the corresponding information on the right. "Chapters" are now called "sections," and the numbering system has been simplified.

The revised manual is organized generally as follows, with each section having its own table of contents:

Section 1, **General Information and Administration**, contains an overview of the South Carolina Medicaid program, as well as information about record retention, documentation requirements, utilization review, program integrity, and other general Medicaid policies.

Section 2, **Policies and Procedures**, describes policies and procedures specific to the Psychological Services program.

Section 3, **Billing Procedures**, contains billing information that is common to all South Carolina Medicaid programs, as well as program-specific guidelines for claim filing and processing.

Section 4, **Procedure Codes**

Section 5, **Administrative Services**, contains contact information for DHHS state and county offices, examples of all forms referenced throughout the manual (as well as some generic forms), and contacts for claim form suppliers/vendors.

The **appendices** include the following:

- Edit Codes, CARCs & RARCs, and Resolutions
- Carrier Codes

The **Third-Party Liability Supplement** explains third-party liability requirements and recommended practices. It includes sample forms and resources.

The enclosed compact disc contains a copy of the manual in Portable Document Format (PDF). To access the file, you will need Adobe Acrobat Reader software, which is pre-installed on most computers and also available for free download at www.adobe.com/support.

The most current version of the provider manual is maintained on the DHHS Web site at www.scdhhs.gov. [On the DHHS home page, click on the Provider Manuals link listed under the heading "Providers."] The Web site is updated on the first of every month to reflect any minor non-policy changes to provider manuals; for example, corrections to addresses, etc. Note: DHHS policy changes continue to be conveyed to providers as they occur via Medicaid bulletin; manuals are revised to reflect those changes as they occur. Providers with access to the Internet should check the DHHS Web site monthly to access information about any updates made to the provider manuals.

Should you wish to order a printed copy of your provider manual, or an additional compact disc, please call South Carolina Medicaid Provider Outreach at (803) 264-9609. Charges for printed manuals are based on actual costs of printing and mailing.

The policy manual and fee schedule are not subject to copyright regulations and may be reproduced in their entirety.

If you have any questions regarding this provider manual and fee schedule, please contact your program coordinator in the Psychological Services program area at (803) 898-2565. Thank you for your continued support of the South Carolina Medicaid program.
