Affordable Care Act News

* February 1, 2013

The Center for Medicaid and CHIP Services Director, Cindy Mann sent a letter to State Medicaid Directors providing guidance to states on section 4106 of the Affordable Care Act. Section 4106(b) establishes a one percentage point increase in the federal medical assistance percentage (FMAP) effective January 1, 2013, applied to expenditures for adult vaccines and clinical preventive services to states that cover, without cost-sharing, a full list of specified preventive services and adult vaccines. In that circumstance, the increase would apply to such expenditures whether the services are provided on a fee-for-service (FFS) or managed care basis, or under a benchmark or benchmark-equivalent benefit package (referred to as an alternative benefit plan). The Obama Administration issued proposed rules for public comment regarding contraceptive coverage with no cost-sharing under the Affordable Care Act. The proposed rules provide women with coverage for preventive care that includes contraceptive services with no co-pays, while also respecting the concerns of some religious organizations. Today's Notice of Proposed Rulemaking reflects public feedback received through the Advance Notice of Proposed Rulemaking issued in March 2012. These proposed rules are open for public comment through April 8, 2013. View the full release [here](#), the proposed rules [here](#), and the fact sheet [here](#).

* January 30, 2013

The Centers for Medicare & Medicaid Services at the Department of Health and Human Services (HHS), as well as the Treasury Department and Internal Revenue Service (IRS), issued two sets of proposed regulations. The regulations explain the shared responsibility provision and lay out the eligibility rules for receiving an exemption and the process by which individuals can receive certificates of exemption. View the fact sheet [here](#), CMS rule [here](#) and the IRS rule [here](#).

* January 30, 2013

The Centers for Medicare & Medicaid Services (CMS) announced new, lower Medicare prices that will go into effect this July in a major expansion of the Medicare Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) Competitive Bidding Program. The CMS Office of the Actuary estimates that the program will save the Medicare Part B Trust Fund \$25.7 billion and beneficiaries \$17.1 billion between 2013 and 2022. Medicare beneficiaries in 91 major metropolitan areas will save an average of 45 percent for certain DMEPOS items scheduled to begin on July 1, 2013. View the full release [here](#) and the facts sheet [here](#).
