Swati:

I've sent Andy the two previous DOL letters, along with the current DEW disqualification parameters (effective April 1, 2012). I have attached a copy of the latter document, as you all may not have seen it yet.

Andy,

I know you're probably busy on the floor today, but I wanted to follow up on S.1125 and make sure Chairman Sandifer is okay with our proposed amendment. And I wanted to know if you've heard if there are any concerns with it.

We are meeting with the business folks (Chamber, Manufacturers, etc.) hopefully this week to discuss the amendment, which I feel sure they will see as an improvement.
