I'm trying to raise \$20,000

NIKKI,

This has to be said.

Right now, the other side is planning an unprecedented ad blitz for the last 21 days of this election. They're trying to buy this race.

Now's not the time to get distracted -- **it's the time to dig in and sprint to the end.**

Today is the last full day for our fundraising efforts in this election. It matters. We've only gotten this far because of you and your support. Today, we're asking for your help again. **Can you**

chip in \$21 or more before midnight tonight? Thank you, The Team
