Learn How to Streamline Budget Programs for the Future **Register Now**

Hello Doug,

Since 1969, Novi has been one of the fastest-growing cities in the state of Michigan. In the past, Novi's government services relied upon a number of different platforms and a lot of paper, but the City recently streamlined many of their processes using technology such as open data.

On Tuesday, May 19 at 11 a.m. PT / 2 p.m. ET, the Assistant City Manager of Novi joins Socrata for a conversation about incorporating open data into Novi's Capital Improvement Program, including specific project timelines and results. In this webinar, you will learn:

- How the Capital Improvement Program is upgrading Novi's government infrastructure
- Why Novi is utilizing the Open Budget app to display and share their capital improvement program
- How the the open data portal improves transparency for residents

Join us for this innovative story on how open data can provide agile upgrades for a rapidly growing city.
