VOTE! VOTE! VOTE! Tomorrow is the day when you can vote for SC State Parks in the Odwalla Plant a Tree Program. All 50 states are competing for their share of money to go towards planting trees! And while we love the other 49, selfishly, we'd like to see South Carolina take home the most money! 1 vote = $1 to go towards purchasing and planting new trees in our state parks! VOTE SOUTH CAROLINA! More info to come!
