Nikki Haley on WYPR-FM (Radio) - Baltimore, MD  
01/19/2015 02:57:45

... put the track so warrant adopt the so much noise on the vision to nearly have ageing f and gov nikki haley i think since the junta which should be given early 16th when a very very musical family fun as a composer and unorganized that's one of the earliest musical memories so many i mean that was one of the things i guess that was ...
