Coretta,

I know SOS has been talking about our web page. SC Access is a software product, not web. Please help me become unconfused. Is this our web site or actually SC Access?

Thanks.

Tony

Tony,

Here are dates that work for me to meet about SC Access. What do you think about including Hank Page since he is good with this sort of thing? And perhaps Tricia Phillips from the Sustaining Our Seniors board? She seems to have a lot of knowledge about web pages. I would defer to you (of course) on who else from the Office on Aging. Happy and safe travels!

Thanks,
Coretta
