Good morning, ladies. Robert sent me his bio and said that he would like me to introduce the Governor. Robert is my supervisor's boss. That was my original plan. Here is the latest revision of the press release with the "lacing up" change.

I am also including Robert's bio as he will be the guest from National ACS CAN.

With that...do you have an abbreviated bio for the Governor? I am honored to introduce her. She would have been my representative, as I live in Lexington. My best to you both. Nancy
