**Dawn Watson Weaver** Hickory Knob is great place to relax. They take care of meals and activities. I've enjoyed great birding and down time on the water. And every season is nice!

**Andrew Carter** South Carolina State Parks are NOT solely for the ELITE, but for EVERYBODY.

Please quit stressing the wealthy lifestyle.

**Dianne Geddings** Andrew Carter it's not stressing any lifestyle. Hickory Knob has a golf course. What's wrong with that? You don't have to be wealthy to play golf.

**Andrew Carter** Dianne Geddings , so it's a poor mans sport?!?

at 15:42:59 on 11/07/2020 UTC

**Dianne Geddings** Andrew Carter you can go to public courses and it's affordable. You can get a set of clubs without breaking the bank. I know plenty of people who play golf fairly

regularly and they have regular jobs and live a regular lifestyle.

**Andrew Carter** Dianne Geddings , so I can play every golf course there is whether or not I have a membership? Even if it's in another country and it won't drain my account? Cool!!!

**Dianne Geddings** Andrew Carter

No of course you can't do that. Stop being ridiculous. It's not necessarily a rich person's sport. Everyone knows that. Also there is nothing wrong with a state park having a golf course.

**Dianne Geddings** Andrew Carter we have enjoyed camping at Hickory Knob many times and it was affordable. We weren't required to play golf either.
