Subject: Gov. Haley Statement Request

Hi Brian,

I'm wondering if Gov. Haley has a response to last night's development in the GOP presidential race. In the past, she has said she would support Trump if he became the nominee, but has also had concerns over his ability to win a general election. I'm curious if that is still the case.

I would also appreciate a response to Trump's donations to the governor's 2010 and 2014 campaigns. If she has already responded to the fact that Trump donated \$7,000 to her effort, please point me to that response.

Thanks so much,

Matt
