

## HERE ARE SOME IDEAS TO WORK ON/OUT TO HELP IMPROVE 2 AREAS:

Quick one liners <sup>Gov't</sup> ideas that COULD HELP solve some of Your finance & <sup>PEOPLE</sup> OUR Fire arms (GUNS) problems!

Treat <sup>\$</sup> GUNS just like <sup>\$</sup> REALESTATE OWNERSHIP -Register & then (<sup>\$</sup> government) <sup>\$</sup> Tax gun owners each YEAR.

i.e.-Individuals Register thru gun dealers or government offices.

i.e.-Make STIFF penalties for not following laws -rules & regulations (gov't work out detail b/f, SOON).

Think "Realestate ownership" as an example to follow as to how to handle paperwork, collection, etc.

Make the PENALTY FOR NOT REGISTERING VERY BAD-jail or high cost (i.e. higher than registering COST.)

i.e.-Collect the tax each year just like realestate taxes except put in jail or arrested sooner if not paid.

<sup>← TIME TO GET RID OF GUNS</sup>  
Announce "coming soon"; working on details to be EFFECTIVE as of JANUARY 1, 2016.
