South Carolina State Parks > #NaturePhotographyDay

at 23:30:28 on 6/15/2021 UTC · 🌐

Did you know? It's #NaturePhotographyDay! Check out this nature shot taken by Ranger Adam at Table Rock State Park. It's a Northern watersnake feasting on a bull frog at Table Rock! That's nature at its finest. Let's see your nature photos -- bonus if they are from a SC State Park!

Toni Sankey That frog is HUGE! 😳😳😳

Phillip Guyton Jr. Sarah Sweeney I have a 600mm lens

at 13:36:16 on 6/16/2021 UTC

Kirk Lowe I ran into this exact situation while trail running. My buddy ahead passed right over one of these trying to eat a frog way too big. He didn't see it because of the natural camo, but I saw the ground moving behind him after and got a brief scare.
