Hi Y'all,

Hope you had a lovely weekend. Just got out of our morning meeting and your boss came up as top live guest wish for tomorrow (not surprising). I think since our viewers have gotten to know her over the past year the team is so hopeful she might consider joining us to discuss 2016 and the state of the race. Aside from the current GOP side of things I think as a woman it would also be powerful to hear her speak about HRC as well.

I know she has so much going on but would so appreciate the consideration. As always Matt and Savannah would be more than happy to chat directly and go over topics/flow of interview.

Thanks for considering – much appreciated.

Lexi
