Dear Agency Heads,

The South Carolina Geodetic Survey (SCGS), a section of the Revenue and Fiscal Affairs Office (RFA), has been authorized via Act 262 to, on a cooperative basis, assist in **clarifying** and monumenting the locations of county boundaries as **they are defined in SC Code of Laws**. After a section of county boundary has been clarified, the SCGS is required to notify, as it determines the appropriate, the affected state and federal agencies that may be impacted. Attached is a letter from the Executive Director of the RFA requesting your help in determining if your agency should be notified when a survey has been completed. Please review and reply to the attached letter.
