Thank you to the 12 folks who participated in our 12 Days of Deals (Day 9) --come up with an original holiday song for South Carolina state parks! Our winner, who will receive a \$250 gift card good towards cabin or camping reservations in our state parks, is Jacob Malasky! What a voice, AND he named all 47 South Carolina State Parks -- not to mention his other catchy lyrics -- and performed it without missing a beat! We also awarded 3 honorable mentions with \$50 gift cards. They are: Sara Byerly-Frobese, Carter Verwers and Catherine McQuaid. All who submitted a video receive a free, 6 month inland park passport. Congrats to all!

Jacob Malasky Thank you so much! I had a blast making and singing the song and my mom loved filming it! This was a really great idea and I'm glad I got to be a part of it :)
