Hello! I reserved two spaces for tomorrow's tea and received a call letting me know those were the only two spaces that had been reserved ... so is it still scheduled to take place? Please let me know! Thanks ~ Trudy (Cell: 843.997.1892)

Thanks ... I've been trying to call them directly, but the number has been busy all day! We have had a bunch of rain, so the lines may be affected. :)
