Dear Governor Haley,

My name is Bella Perry and I am a fourth grade student at the Merrymount Elementary School in Quincy, Massachusetts. This year we are studying the regions of the United States of America. As part of our unit of study, each spring our school has a "State Fair", where the fifty states are showcased and presented. I was required to select a state on which to conduct in-depth research, and I chose the state of South Carolina. This is the reason for my letter.

I am writing to request some information and travel brochures on your great state. I am hoping you will be able to provide me with this information, so that I can use it in my written and visual reports. Someday, I hope I'll have the chance to visit your state, but for now, I would be happy to receive any printed information you could provide.

Thank you in advance for your time and assistance. I look forward to receiving information from you very soon.

Sincerely,

Bella Perry
