**Subject:** RE: Agenda for Stakeholders Meeting

---

My email to the stakeholders said 4:00 p.m. My mistake.

In order to avoid any confusion, we will stick with holding the meeting at 4:00 p.m., rather than at 3:30pm as we discussed during our meeting. I apologize.

**Subject:** Agenda for Stakeholders Meeting

We hope and anticipate that the meeting will be more of an informal conversation, but to give us a sense of order and organization, below is a proposed agenda. If you have any suggested changes, please let me know.

In addition, a list of RSVPs is included below. Several of Sara's members have RSVP'd that they cannot attend and are therefore not listed. Thank you.
