Did we get James' feedback on the draft order? My understanding was that was the next step.

Haley,

I see his point; the way Commerce reports membership on the committee, the “gubernatorial appointments” would be inclusive of 2 legislators – Sen Davis and Rep Murrell Smith, bringing the membership to 4. Looking into this though, the structure Commerce reports is a little off from the structure of the Executive Order, which we will address in the next day or two. Overall, though, here’s the goal as I see it:

- ☐ 12-15 members tied to the MBTF organized as a sister organization or subcommittee
- ☐ Roughly equal legislative, private sector, executive branch split
- ☐ Private sector pulled from current membership of MBTF
  - Bill Bethea
  - 3 – 4 other Gubernatorial Appointments
- ☐ Executive Branch would be directors of relevant entities, chosen from some mix of the following list to reflect employment, special needs related to disability and PTSD, and community integration post-separation and post-deployment:
  - Department of Mental Health

- Department of Disabilities and Special Needs
- Department of Employment and Workforce
- State Veterans Affairs
- Adjutant General
- Correctional or Law Enforcement. Prosecution Coordination Commission feels right here, but I'm open to suggestion.
- Legislators would represents military communities and military interests
  - Tom Davis (Parris Island/Beaufort Aviation)
  - Murrell Smith (Shaw)
  - James Smith (Veteran/Guard and Reserve Component)
  - Senate – Currently Vacant

12 works out well with legislative and private sector at 4 each – the balance may tip based on the number of agencies we choose to represent with committee membership, as opposed to just having the agency present information. We could also pull off the disability/mental health agencies entirely and accomplish that representation by appointing members of that community or credible non-profits/providers. This would occupy gubernatorial appointments and keep the overall size of the committee manageable.

Thoughts?

Josh

Haley – Thank you.

I appreciate the additional members of the executive branch and understand their relevance. Not sure why we would reduce the legislative representation by 70%.

If the Governor was looking for appointments in the Senate, I would suggest West Point Graduate and US Army Airborne Ranger Senator Wes Hayes...

Rep. Smith,

It was great to see you this week. Josh Baker developed the membership below for the Veterans Issues Study Committee that will likely become a component of the Military Base Task Force and staffed by the State Office of Veterans' Affairs.

We would greatly appreciate your feedback. We sent this list to Chairman Bill Bethea with the MBTF for his review and comment as well. Please let us know if you have any questions.
