Katherine,

I received the below email and would very much like to have Ms. Ragland considered for the Governor's Child Care Advisory Committee. She is exceptionally qualified and would be an asset to this committee that is in dire need of new/active members.

Please let me know what I need to do to move Ms. Ragland's request along.

Thanks so much,

Shannon

Hello Mrs. Shannon Erickson,

I hope that all is well with you. I truly appreciate all that you do to enhance the quality of care and education in the field of Early Childhood, to serve your constituents, and to improve the quality of life for the citizens of South Carolina.

In my roles as an Early Childhood Master Certified Training, Mentor Technical Assistance Provider, and a Professional National Consultant; I would also like to extend my knowledge and expertise in serving the state of South Carolina. Please consider me as a strong and worthy candidate to serve on the South Carolina Department of Social Services Child Care Licensing Regulations Council. I have attached my vitae for review and consideration. Please let me know if there is an official application or more formal procedure that I must follow in order to be properly considered. I look forward serving to improve the quality of care, education, and life for our youngest citizens and their families.

Thank you,
