Lee,

I sent you a text today, not sure it went through. Anyway, I am interested in serving on the State Athletic Commission. I have called and emailed the LLR for a week or so never with a response, however, today I did get in touch with Glenn Frick. He said he was the Administrator for the Commission, but that he had no idea how one got appointed except that it was through the Governors office.

I told him that I would get in touch with my Senator who was very close to the Governor and see what we could find out. So, my request to you is to see what openings are available, get me an application form, etc, etc. so I can get the ball rolling.

Thanks !
