**Subject:** BW Data for Finance is Not Current

---

Good Afternoon:

The SCEIS Business Warehouse (BW) Team determined that the overnight update to BW Finance reports has not completed due to the volume of data for fiscal year end processing and will continue to run throughout the day. Financial data processed in Enterprise Central Component (ECC) on Tuesday, June 30 will not be displayed on BW Finance reports until the BW update has completed.

If you have generated Finance reports this morning, Wednesday, July 1, please be aware that they might contain data that is not current. **We will notify you when the update is complete and the Finance data in BW is current again.**

If you have any questions about this, please contact the SCEIS Service Desk at (803) 896-0001 (select option 1 for SCEIS help) or email the Service Desk using the form at the following link: <http://www.sceis.sc.gov/requests/>.

Thank you,  
The SCEIS Team
