Attached is a wrap-up of what occurred in the SC General Assembly this year. I hope you will find it informative. I try to keep the report succinct, so there are many issues I do not have the space to cover. However, if you have a question or concern regarding other matters, or the ones covered in the newsletter, please contact me.

Also, if you have friends whom you think may like to receive this newsletter, please forward their addresses to me and I will see that they are included in future mailings.

Thanks,
