Katherine great to speak with you,

For Directions at halftime;

1. If we could have the governor meet us at the northwest corner of the field (where visiting team enters and exits the field) with 5 minutes to go in second quarter.
 - a. Once there she will meet Lauryn Dugan on my staff who will take care of her from there.
2. At halftime we will walk to the 50 yard line where the governor and Dawn will be on camera. We will do a PA and then have the governor present Dawn with the award.
3. At the conclusion the governor will be able to go back to her seats and cheer us on to victory.
4. Also as a special note if there is an item you are presenting to Dawn it is usually best if we pick it up ahead of time and just have it on field for you Saturday. That way you don't have to worry about carrying it around.

As far as pa goes here is how I would write it;

Ladies and gentlemen at this time we ask that you please direct your attention to the field where Carolina athletics is honored to be joined by Governor Nikki Haley and your very own women's basketball coach Dawn Staley. The order of the Palmetto is the highest award that can be given to (fill in with little background/facts on award) and is being presented to Dawn Staley for the following reasons..... (fill in with reasons why she is getting award)

Please join Governor Haley as we congratulate Head Coach Dawn Staley.... (present her whatever it is you have to present)

Again this is just a quick thought on the PA but again the shorter the better for the fans.

Let me know any questions that you have. Josh
