Hi Susan,

The City of Columbia is not taking the lead on the Carolighting this year. Instead, the City will assist in whatever way needed, but the date is something being handled by another party. Your email is being forwarded to Katherine Veldran of the Governor's Office who has more information.

Thanks,

Hi Ray,

We really need the Carolighting date. I have to wait to schedule a much needed rehearsal for a concert on Dec. 5. Can't schedule until I know the Carolighting date. Teachers have been asking as well.

Thanks .
