EXPERT ANALYSIS

The Texas Citizens Participation Act — 5 Years Later

On June 17, 2011, the Texas Citizens Participation Act was signed into law, a watershed moment that provided greater protection to Texas citizens who have been plagued with frivolous lawsuits aimed at stymieing their ability to discuss their opinions, report on governmental activities or uncover corporate wrongdoing. Today, the trend of state anti-SLAPP legislation is ongoing, says Laura Prather of Haynes and Boone LLP.

Key Points In DC Circ. Decision Upholding Net Neutrality

The D.C. Circuit's decision this week upholding the Federal Communications Commission's 2015 Open Internet Order deals a significant blow to claims that broadband providers either must as a legal matter or should as a policy matter be left to operate largely free of traditional common carrier regulation, says Christopher Savage, co-chairman of Davis Wright Tremaine LLP's communications practice.

The Debate Over NDAA Preference For Fixed-Price Contracts

The Senate Armed Services Committee wants to reallocate risk between the government and the contractor by shifting from cost-type contracts to fixed-price contracts, but some critics believe that its proposals likely will hinder innovation and increase costs, say Charles Blanchard and Paul Pompeo of Arnold & Porter LLP.

Expanded Access — A Regulatory Balancing Act For Drug Cos.

Expanded access plays a valuable role in the treatment of patients, but granting access to an experimental drug outside the context of a clinical trial creates a host of ethical, operational, business and logistical challenges for any drug manufacturer and particularly for smaller companies specializing in treatments for rare diseases, say attorneys with Choate Hall & Stewart LLP.

DOL Salary Projections May Rest On Inaccurate Assumptions

An important component of the U.S. Department of Labor's new white collar exemption rule is that the minimum required salary level will be adjusted every three years. However, the DOL's estimate of an additional 2.5 percent increase in the new salary threshold over three adjustments may not be accurate and likely understates its magnitude, say Stephen Bronars and Deborah Foster at Edgeworth Economics LLC.
