Re: One SC Fund (CCCF)

Dear Gov. Haley

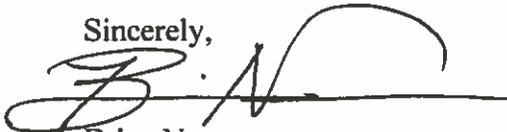

In the Aftermath of the Historic Flooding in our state, Honda of South Carolina Mfg., Inc. ("HSC") made a donation of \$100,000 in humanitarian aid to support disaster relief efforts in South Carolina communities impacted by the storm damage and record water levels. Our focus was primarily the Pee Dee Region, providing support for the many individuals, families, and our neighbors, who had been devastated by these historic floods.

This donation was divided among three community organizations providing support and assistance in the hardest-hit areas.

- **American Red Cross of Pee Dee** received \$50,000
- **Harvest Hope of the Pee Dee** received \$25,000
- **Eastern Carolina Community Foundation** received \$25,000

The services that One SC Fund are planning to provide to our state are invaluable. Please continue with your mission to re-build and repair homes of victims of the flood across South Carolina. With your leadership, I know that you all will have a successful campaign. Thank you for sharing this information with HSC. We look forward to future opportunities to support the Great State of South Carolina.

Sincerely,

A handwritten signature in black ink, appearing to read 'B. Newman', written over a horizontal line.
