Subject: Fed Schedule

Sue,

Finally able to sign in. Federal Schedule needs work. Formatting issues. Several ending balances have (0.00) Remove the (). Several numbers have underline but are not totals.

Overall it looks good but need to fix cosmetic issues.

Riding the boat today so I will try to check e-mail later.

Will call tomorrow if San Juan is still local call.

BTW. Survived parasail. Definitely a four ticket ride.

So far no Tina sighting.
