Student Government Class President August 2009- June 2013

EXPERIENCE

Server's Assistant/Food Runner - HALL'S CHOPHOUSE

May 2016-November 2016

434 King Street
Charleston, SC 29403

This position allowed me to have a better understanding of cooperation and teamwork in order to provide world class, five-star service, and hospitality in one of the highest rated steakhouses in Charleston. I helped ensure overall guest satisfaction, which came easy due to my willingness to work. I was able to learn helpful communication and hospitality skills that compliment my energized, personable personality.

Health Administration Internship – Medical University of South Carolina

January 2016-June 2016

Philip Smeltzer, PhD

Program Administrator, Total Population Health

(843) 792-6637

Under Dr. Smeltzer's supervision, I created an informative magazine detailed with preventive care services offered by local care centers and hospitals to better educate the community. The magazine highlighted the service that offered explanations of cause and effect of specific diseases, general symptoms, and treatment options. Chronic diseases have become more prevalent in our society and have gone unnoticed due to lack of proper prevention. This project aimed to use cost effective methods when dealing with preventive care and the services these care centers offered.

LANGUAGES

GREEK: Intermediate

Alongside English, Greek is the primary language spoken in my household. These skills, which were built throughout my childhood at home, were developed further and reinstated as I traveled to Greece every summer to visit family.

IT SKILLS

I am proficient with the Microsoft Suite (Word, Excel, PowerPoint, etc.), Photoshop, and have experience with Epi Info 7 (Software tools for public health/epidemiology development).

ACTIVITIES

Through College of Charleston's Greek Life opportunities, I am an active member of Kappa Sigma and have held the position of secretary within our chapter for Spring 2015 – Fall 2015, Master of Ceremonies Spring 2016-Fall 2016, and Chapter Guard Spring 2017-Fall 2017. While in those positions, I was also T-Shirt Chairman and Social Chairman. These positions required stellar communication skills, reliable record keeping, national chapter administration correspondence, and dedication for bettering our individual chapter.
