Good morning! We are so excited, we just bought our park passport. We are hoping to visit each park this year. I was wondering if with the park pass there was any discount on tent camping? Or would we just book those as normal? Thanks, have a great weekend!

The park passport does not give any discounts on camping. It just covers admission. Just book as normal and enjoy! All info on the park passports can be found here: <https://southcarolinaparks.com/park-passports>
