Thanks - Josh and I have to survive the budget veto process, but we'll get back to you afterwards to get moving on this. Sounds like it'll be right after you get back, the week after next.

Subject: First Steps Update

As requested, I am updating you on First Steps.

As I am sure you know, their audit was released a few days ago: http://lac.sc.gov/LAC_Reports/2013/Pages/SCFirstSteps.aspx

Attached is my synopsis of the points made in the audit, in case this format would be helpful.

Christian had asked me for potential board members; I had given that list to someone else in the Governor's office who had originally asked for it; I spoke with John Carroll and he was going to locate it for you. If you need me to work on a new list, I will be happy to do so.

The First Steps board meeting was Thursday. I was not able to attend, but sent a representative. Apparently, it was a rather bizarre circus. I know Kim Aydlette was there and she has expressed her willingness to discuss with you what happened in the meeting. JW Ragley was also there; perhaps he would be willing to share his thoughts.

I know this is a very busy time for you and I am out all next week. If you would like to meet about this after that I would be glad to. Just let me know.
