Friend,

It's hard to believe that the election is only two days away. We're short on time, but we still have a lot to do.

Our team is working tirelessly to reach voters and help them find their place to vote. Listen, Nikki is counting on your vote on Election Day, and we need to know that you know where your polling location is.

Please, take just a few seconds to take our 1 question survey below.

Do you know where to vote?

Yes

No

Thank you,

Team Haley
