Okay, should I make an inquiry about speaking availability while I have them on the phone?

No sir, should I try and find out from someone in Sen. Setzler's office. Or should I just call the organization's contact and politely find out from them?

Did you learn anymore about crowd size?

This club meets from 12:45-2:00 and I was hoping to schedule the Lieutenant Governor to speak there either March 7 or April 4. It would have to be towards the beginning of the meeting to make it back for session but Brookland Baptist Church in West Columbia is where they hold the meeting. I'm not sure what attendance is like but its location makes it convenient.
