Subject: Lavender/Wylie Case from Sen. Peeler

I just got off the phone with Kay in Sen. Peeler's office.

Ms. Lavender states that she cannot be involved in the matter and that her brother needs to handle this.

I explained the full situation to Kay, that we have talked to Mr. Wylie numerous times, that he needs to pursue settlement with an attorney, either to settle out of the property or exercise his POA or perhaps even to file for guardianship. We have given him a referral and will pay for the case from III-B funding from Appalachia.

Kay says that she feels that we have gone far above and beyond and they are satisfied.

I have asked her to have Ms. Lavender call me if she hears any more from the constituent.

This should resolve the matter, and I will follow up with you if I hear any more.

Thanks,
Cat
