**Kimberli Buffaloe** Definitely South Carolina. While we lived in the Upstate, one of my husband's coworkers would bring in baskets of humongous (did I spell that right?) peaches from their orchard in Landrum. So delicious, I didn't know if the stuff running down my chin was juice or drool.

**Kimberli Buffaloe** Absolutely! And she had baskets and baskets of them, all the size of softballs. We would spread them on the counter, making sure they weren't touching, and feast on them for days. I'd never had a peaches so good. The upstate blueberries weren't bad either.
