---

Dear Grantees and Partners,

Below is information about a funding announcement to implement priority action items from the Healthy Brain Initiative.

Opportunity Grants to Advance Implementation of Selected Action Items from The Healthy Brain Initiative:  
The Public Health Road Map for State and National Partnerships, 2013 - 2018

REQUEST FOR APPLICATIONS

RFA #HA2015A

The National Association of Chronic Disease Directors (NACDD), with support from the Centers for Disease Control and Prevention (CDC), announces the availability of funds for state and territorial health departments to implement priority action items from The Healthy Brain Initiative: The Public Health Road Map for State and National Partnerships, 2013 - 2018 (a.k.a., the Road Map). Funds from this announcement will be used by grantees to implement selected action items beginning in April, 2015.

The goal of this announcement is to: (a) support sustainable strategies to implement priority action items in the Road Map; and (b) build partnerships between state and territorial public health departments, CDC-funded Prevention Research Centers, and other partners committed to implementing priority action items from the Road Map.
