Subject: Tour of Freightliner Custom Chassis Plant in Gaffney, SC - July 24

Hi Katherine,

Just a quick follow-up to the voicemail I left you earlier. We would love to invite Governor Haley on a tour of our Freightliner Custom Chassis plant in Gaffney on July 24th -- a great opportunity not only to learn about our operations in the State, but also to meet constituents and discuss the importance of jobs and the economy. We have already discussed the idea with Marisa Crawford whom we are working with to organize a fundraiser for Governor Haley that same evening. Our thought was to arrange a tour sometime in the afternoon; however, we would be happy to work around the Governor's schedule to find the best suitable time. Many thanks in advance and I look forward to hearing from you!

Best wishes,

Gwen
