Curt,

No worries at all, just let me know another day that would possibly work. We would still love to make it happen! But yes, I think the Lt. Gov will be there all day on the 25<sup>th</sup> as well as July 4<sup>th</sup> and 5<sup>th</sup>.

Thank you!  
Tori Beth

Hi Tori Beth - looks like Rotary is going to be having an off-site meeting elsewhere in Charleston on the 25th, but I'm waiting to hear back on a better day to meet. Does the Lt. Gov have other public events in Charleston on that date?

Thanks!

Curt

Hi Tori - thanks so much. I believe that interview should run in the next day or so. I'll definitely send you a link.

I reached out to my club president last week. She's excited, but I'm waiting to hear back from the speakers' chairman on July 25. I'll touch base with him again today to see if that date works or no - and then work to find a date that works for everyone.

Thanks!

Curt

Hi Curt,

I just wanted to thank you for setting up the interview with John from the Palmetto Business Daily - it worked out great and the Lt. Gov. was thrilled to participate.

I also wanted to check on meeting with the Rotary on July 25<sup>th</sup>. I just want to make sure we don't schedule anything during that time frame if it is possible!

Thanks!

Hi Tori Beth,

Thanks for reaching out.

I will work to set up the interview for Palmetto - I'll pass this along to our editor who will (either him or one of our reporters) reach out to set up a time that works best for the Lt. Gov.

Re: Rotary -- let me check on that date (and other future dates with our club president. Not sure what they have set up for the the several weeks, but I'll see if we can make it happen.

Thanks!

Curt

Hi Curt,

I am reaching out on behalf of Lt. Gov. Bryant in hopes to schedule an interview with the Palmetto Business Daily and a time to meet with the Historic Charleston Rotary Club.

He passed along your information from speaking with you at the RLGA meeting and we would love to make these opportunities happen! He is actually planning to be in Charleston on Tuesday, July 25<sup>th</sup> - would that date work for you and the Rotary Club?

Just let me know what would be best for you.

Thank you!
