Subject: Increase the Success of Your Next Campaign with Our Full Suite of Marketing and PR Options

Need Marketing and PR Expertise at Your Fingertips?

Gravis Marketing offers everything needed for your next PR campaign

Dear Nikki Haley,

We stay ahead of the curve with new technology and new PR techniques that deliver your marketing message to clients in an efficient and cost effective manner.

Our strategic services, expert knowledge and experienced staff will help you plan and implement your next campaign.

We are here to help you succeed.

Our Most Popular Services Include:

- Strategic Planning and Consulting
- Advertising: Including Print, Television, Radio, and Internet
- Logo Development and Message Clarification

- Political Research Including Polling and Data Analysis
- Fundraising Strategy Development and Implementation
- Press Releases, Media Relations and Promotions
- Targeted Voter Campaigns and Research
- Budget Planning
- Grassroots Campaigns
- Telemarketing Campaigns
- Direct Mail, Yard Signs and Email Campaigns
- Strategies and Understanding the Competition
- Internet Marketing Including Website Design, Email Campaigns, Blogs and Social Media
- Get-Out-And-Vote Programs

There is no campaign that is too big or too small. Gravis Marketing has worked

with local companies and political races, as well as national campaigns including bids for the presidency. We understand the logistics needed for both large and small scale efforts.

Specializing in political and non-profit campaigns, we can help you:

- Raise money
- Increase awareness for your company or campaign
- Deliver your marketing message to a targeted audience
- Research and gather critical information for marketing decisions
- Increase your volunteer force
- Create successful strategies and marketing plans

Contact Gravis Marketing and let our expertise work for you. A partnership with us will help increase your success. We have all of the resources and tools needed to deliver your message to your targeted audience. This specialization reduces costs and increases efficiency.
